INVITATION

A GAIN it is a real privilege to extend a cordial invitation to those interested in Shorthorn cattle to be present at our fourth Annual Sale. I believe we are offering the best lot we have ever drafted, coming nearer to what we are aiming to produce in our herd, namely, Shorthorns of quality, smooth, low set, short legged and such as will in our opinion produce the type of beef cattle that the market now demands; that will give quality and finish at any age, with the maximum weight and command top market prices.

The desirable breed characteristics are found in the get of Browndale Count and his descendants have already demonstrated in the show rings here and in Canada that through them is being produced the same type, quality and character.

This offering is made up of a very choice lot, all richly bred, carefully selected and all, we believe, will give satisfaction wherever they go.

Thos. E. Wilson

TERMS

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 5 years.

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price is to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificate of registry and transfer will be furnished with each lot sold.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk or loss or injury.

7. TERMS: Cash, unless other arrangements are made before sale.

BROWNDALE COUNT AND THIS OFFERING

There is much to enthuse any admirer of a Shorthorn in a study of the sons, grandsons and daughters of Browndale Count and the other cows and heifers drawn from the Edellyn Herd to sell in this 1928 auction. A pleasing lot of Shorthorns changed ownership in previous auctions from Edellyn, with all of which the writer was familiar. This, the fourth auction, however, presents to adherents of the breed more outstanding sons and daughters of Browndale Count, more real value in cows and heifers than has been offered in any sale heretofore held from this celebrated breeding establishment.

The writer cannot do otherwise than refer to this offering with a feeling of enthusiasm and particularly to the get of Browndale Count, a bull who seems to have and in fact, did stamp the qualities by which he became famous—that of breed character, levelness, smooth rumps and deep quarters, and a uniformity of type, more accurately in each succeeding crop of calves thereby adding to a record of achievement as a sire that is difficult to match in a study of the history of the breed over a long period of time. His blood has been a mighty boon to Edellyn, to the breed and it will be for every breeder who makes use of it.—Geo. E. Martin of The Shorthorn World, Aurora, Ill.

PERFORMANCE IN THE SHOW RING

The get of Browndale Count and that of his sons have dominated the largest Canadian shows since 1924.

Browndale Prince is one of the most pleasing types yet sired by Browndale Count. A better head is rarely seen. His top line, depth, levelness and quality leaves little room for criticism. He headed his class at some of the shows and is in better form now than ever. His dam's sire Maxwalton Monarch, twice champion at the International, was one of the greatest show bulls the breed has yet produced. Here is a real bull.

Dam imported one of the grand matrons of the breed and a good producer. Here is a richly bred bull.

The reason we have no picture of Bridgebank Victor is because his leg was hurt at that time, but he will be all right by sale day.

THE COWS AND HEIFERS

We are putting in this sale a choice lot of young cows and heifers. As good as we have in this herd. All are young, of good types, well bred, reliable in every way. We do believe that this consignment is as good or better than any that ever went through a sale ring. Many of them have calves by Browndale Count, Bridgebank Warbond and Browndale Goldspur. Some bred to Edellyn Brownwood, one of our herd bulls, recently obtained at a long price. We heartily commend this lot of females to the most critical buyer. These females, as well as the entire sale offering, are guaranteed to be just as represented and are in type and quality fully up to Edellyn standard.

Edellyn Clara is probably the outstanding daughter of Browndale Count going to this sale. She is a show heifer that should be heard from in next season's shows. Few as well developed at rump are ever seen. Bred to Edellyn Brownwood July 28, the outstanding all red Browndale recently purchased by Mr. Wilson at a long price for service at Edellyn. Her dam was a show cow.

Browndale Count's Sons and Grandsons in Other Herds

Browndale Coronet by Browndale Count. Bred and owned by James Douglas & Sons, Caledonia, Ontario. A noted prize winner and a sire of many prize winners including the winning Get of Sire at the 1925 International. He is rated by his owners as one of the best ever used in their herd.

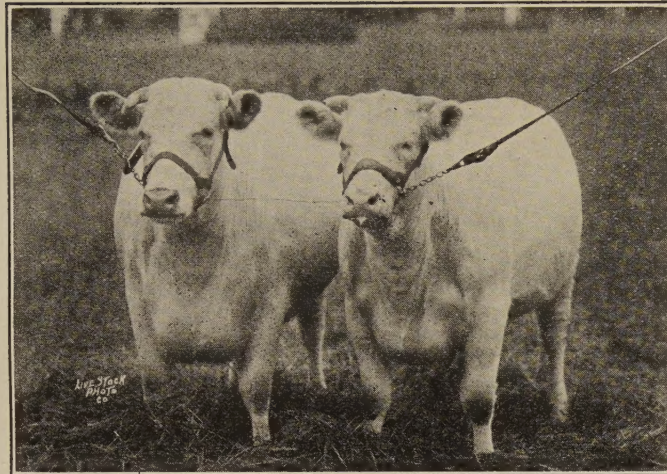

Loyal Browndale by Browndale Count. Undeclared in 1927. Grand champion bull everywhere shown including the International. The greatest prize winning son. Hay Brown, owner of Haylands Farm, Sharpsburg, Ill., states: "I am very well pleased with him. We have every reason to feel that he will make a great sire."

Edellyn Royal Warrant by Browndale Count, one of the best sons bought by C. J. Broughton, Dayton, Wash. in the 1927 sale. His owner writes: "Edellyn Royal Warrant won the junior championship at the Spokane Interstate Fair and Washington State Fair and the grand championship at the Oregon State Fair and headed the yearling herd that won first at all shows. That's how well he has done for me."

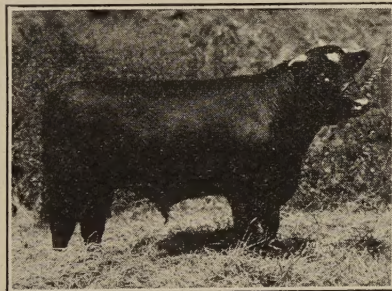

Browndale Baron by Browndale Count purchased by L. C. Oloff & Son, Ireton, Iowa for service in that herd where he has rendered satisfactory service.

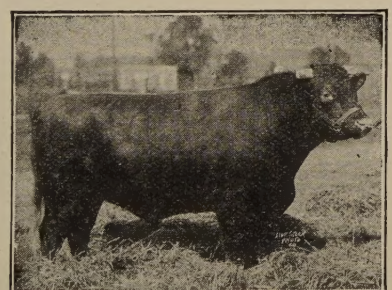

Edellyn Myrtle and Edellyn Missie 3d, daughters of Browndale Count. The former owned by Edellyn Farm, the latter by Singleton Farm, Midlothian, Texas. Both have won grand championship honors at the biggest shows of 1928. A study of these as well as many other females by Browndale Count point quite clearly to the fact that he is a sire of top females.

The Subjects Herein Illustrated

These bulls and females herein portrayed are but a few of the outstanding progeny of Browndale Count. The pictures were taken at a young age and they have made a steady improvement for their new owners and many that were lacking in a few respects in development are now outstanding types and a few of them will be seen in the show rings of the future.

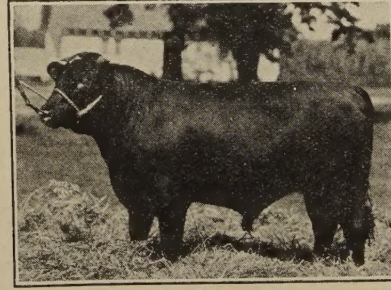

Edellyn Stamp by Browndale Stamp. Junior champion bull at leading shows of 1926. Ceded to be one of the greatest show sons of Browndale Count. His owner Bert Ross, Science Hill, Ontario has repeatedly declined big offers for him. Few specimens as smooth and as pleasing have ever been seen.

Browndale Star by Browndale Count. T. Dorsey Jones, Shelbyville, Ind., writes: "Browndale Star has developed wonderfully well. He has plenty of substance, quality and breed character. His calves look good to me. I am specially pleased with him."

Browndale Goldspur by Browndale Count, a winner in 1927 shows. Bought by Harry Hopley, Atlantic, Iowa who has refused substantial offers over his first cost. He is now in temporary service at Edellyn on lease. His owner states: "I am more than pleased with him."

Browndale Archer by Browndale Count, a prize winner. Wharton Allen of the Allen Cattle Co., Colorado Springs, Colo. estimates Browndale Archer recently as "proving most satisfactory. The 20 or more calves by him are growing out splendidly. Uniform and blocky type, even colors, good bone, smooth and sappy individuals, showing lots of breed character."

Edellyn Browndale by Browndale Count. James Napier, Superintendent Sni-A-Bar Farms, Grain Valley, Mo. states: "We believe we have a great bull and a great sire in Edellyn Browndale. He has proved himself in the show ring. His first crop of calves are very promising. One won his class at Iowa, another second at Illinois."

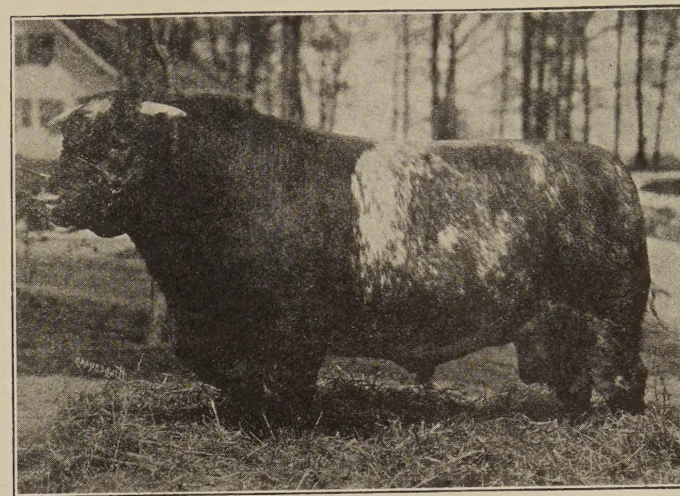

Edellyn Golden Ray by Browndale Count, owned by H. A. Kraft, Odessa, Minn. who rates him at this time as "pleasing in type, thick fleshed, strong and masculine in appearance, with plenty of quality." He was one of the good selections made in the 1927 Edellyn Auction.

That are Perpetuating a Dynasty That for Outstanding Merit in Production is Unequaled in the present Day History of the Breed

Not in Bulls Alone Does He Excel, His Females are of Equal Individual Excellence

Browndale Count. Sire, Browndale by Avondale. The sire of more prize winners in Canada and this country than any bull of his time. His get were undefeated in Get of Sire class in 1927. One of the greatest sires known to American Shorthorn history. His get of former years justifies this statement and the present crop at Edellyn is admittedly his strongest and most uniform lot.

An Unparalleled Record

One may closely study the pages of the breed's history for the past quarter century and fail to find the record of any sire that surpasses or even equals the record made by Browndale Count as a getter of such uniformity in type, such smoothness and such quality as is revealed in a study of the get of this bull. Coming down to the present as he does through White Hall Sultan, Avondale and his son Browndale, he seems to eclipse at least in uniformity, levelness and quality, the impressive performance of his progenitors and is perpetuating this great line of blood in a manner unparalleled in a study of any strain in the history of the breed. This is conclusively attested by the show yard records of this country and Canada, by the breeding-on qualities of his sons and by a study of the outstanding lot of sons and daughters now to be seen at Edellyn. After many years of close-up observation of the get of great breeding bulls of the past quarter century, the writer knows of no bull that has surpassed the record of Browndale Count and he doubts that any bull anywhere where Shorthorns are bred can match him for type, uniformity and quality of his get.—Geo. E. Martin of The Shorthorn World.

Browndale Premier by Edellyn Premier by Browndale Count. Junior champion at Missouri, Iowa, Nebraska and Topeka this season. Note smoothness, depth, evenness at tail and depth of quarter. Browndale blood breeds on. Owned by A. C. Shallenberger, Alma, Neb.

Edellyn Perfection by Browndale Count, a winner of many prizes and the sire of Browndale Stamp, champion at the 1928 Wisconsin State Fair. The owners, Blatz Bros., Dodgeville, Wis. state: "We are very well pleased with our bull and his calves which are uniform, low set, thick and good colors. We have sold 24 of his sons to head good herds in several states. Out of his first 15 one brought as much as we paid for Edellyn Perfection. He has done much for us."
